

Spring 2012 PRELIMINARY Grades through April. 28, 2012 (Assignments thru 14b, Test#3, all 3 reviews).

Grades are posted after each test.

Your ID number is the last 2 digits of your SS#_birth month_birth day.

They are sorted alphabetically, not numerically.

An A is 546 points or above (91%)

B = 486 points or more (81%)

C = 426 or more (71%)

Passing is 366 points or more (61%).

(There is no rounding. For example, 546+ points is an A. 545.999 points is a B.

Divide your points / possible points x 100 to get your average.)

From this point on, the F2F class will not be doing Bb assignments unless specifically assigned!

There are 600 (out of 600) possible points to date.

Class attendance points vary.

F2F = Face-to-Face class points. (These apply to in-class lectures.)

---- F2F Bb assignments from now on are for missed classes or special assignments ONLY ----
